## FREIGHT FAQs

### WHAT ARE MY OPTIONS FOR INBOUND SHIPPING?

- **Option 1:** Advance Shipping is sending your materials, up to 30 days prior to the event, to our advance warehouse (ABF Freight in Tulsa for Tulsa shows or ABF Freight in Oklahoma City for shows in Oklahoma City, Norman, Edmond or Enid). They'll store your freight and then deliver it to the show venue during the Event 1 Productions move-in date. The advantages of sending your freight in advance are knowing it has arrived and knowing it'll be in your booth when you arrive to set up.
- **Option 2:** Direct Shipping is sending your materials directly to the show site during the designated move-in times. There is some risk involved with direct shipping because it does not allow for errors by your inbound carrier. If there is a problem and your carrier does not arrive on time, there may not be enough time to resend your items.

### WHAT IS THE DIFFERENCE BETWEEN MATERIAL HANDLING/DRAYAGE AND SHIPPING?

- **Material handling/drayage** includes receiving your freight, unloading your exhibit materials from the carrier's delivery vehicle, storage for up to 30 days at the advance receiving warehouse, delivery to your booth, handling of empty containers (removal from booth, stored, then returned to your booth at the end of the show) and removal of your packed materials from your exhibit booth for reloading onto your outbound carrier of choice. This charge does NOT include the cost of shipping your freight on to its next destination.
- **Shipping** is the means by which shipments are transported via your company's carrier of choice (UPS, FedEx, etc.) to and from the event location.

### WHAT IS A BILL OF LADING?

- A Bill of Lading is a type of document that is used to acknowledge the receipt of a shipment of goods. In addition to acknowledging a shipment of goods, a Bill of Lading indicates the particular vessel on which the goods have been placed, their intended destination, and the terms for transporting the shipment to its next destination.

### WHAT ARE MY CHOICES FOR SHIPPING AT THE CLOSE OF THE SHOW?

- You may use any carrier your company chooses. **However, it is your responsibility to contact and make all pickup arrangements.** Event 1 Productions cannot guarantee that other carriers will show up to pick up your shipment. We also do not provide outside carrier shipping documents and/or labels.

### WHAT ARE THE MOVE-OUT PROCEDURES?

- A completed bill of lading is required on ALL outbound shipments and your booth must be packed, labeled and ready to be shipped. You must make prior pickup arrangements with your company's carrier of choice. If your carrier fails to show up, your outbound freight shipment will be returned to the Event 1 Productions warehouse and force-shipped out on our preferred carrier at the exhibitor's expense. Such shipments will be assessed a service fee of \$.75 per pound with a 100 pound minimum (\$75.00 minimum charge). An Event 1 Productions representative will be available at the show site during move-out to help answer any questions.

## MATERIAL HANDLING & DRAYAGE SERVICES

PAGE 1 OF 2

**Event 1 Productions' liability shall be limited to the physical loss or damage to the specific article which is lost or damaged as described below:**

1. Event 1 Productions shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage.
2. Event 1 Productions shall not be responsible for loss, theft, or disappearance of exhibitor's materials after they have been delivered to the exhibitor's booth. Event 1 Productions shall not be responsible for loss, theft, or disappearance of materials before they are picked up from exhibitor's booth for re-loading after the show. During these times, your materials will be left unattended. Event 1 Productions recommends that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.
3. Bills of lading covering outgoing shipments which are furnished to Event 1 Productions by exhibitors, will be checked at time of actual pickup from booth and correction made where discrepancies occur.
4. Event 1 Productions shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's material which make it impossible or impractical to exhibit same.
5. The consignment or delivery of a shipment to Event 1 Productions by an exhibitor, or by any shipper on behalf of any exhibitor shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in this bulletin.
6. Event 1 Productions shall exercise ordinary diligence and care in the receiving, handling and storage of all shipments. Event 1 Productions shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. Event 1 Productions' liability shall be limited to the physical loss or damage to the specific article which is lost or damaged. In any case, the liability of Event 1 Productions is limited to \$.30 per pound per article, with a maximum of \$50.00 per item, and a maximum of \$1,000 per shipment. This applies while these goods are in Event 1's warehouse, in vehicles for delivery, or at show site.
7. Claims for loss or damage which are not submitted to Event 1 Productions within thirty (30) days of the close of the show on which the loss or damage occurred shall be considered waived. No suit or action shall be brought against Event 1 Productions or its subcontractors more than one (1) year after the accrual of the cause of action therefore.
8. Shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills (i.e., one lot, 800 cu. ft., etc.), such as UPS or van lines will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Event 1 Productions for such shipments.
9. Empty container labels will be available at the service desk. Affixing the labels is the sole responsibility of the exhibitor or his/her representative. All previous labels should be removed or completely covered. Event 1 Productions assumes no responsibility for errors to the aforementioned procedure, removal of containers with old empty labels and without Event 1 Productions labels, improper information on empty labels, or valuables stored in containers with empty labels.
10. Exhibitors should arrange for outgoing shipments during the show or immediately after its close. Event 1 will assist in the preparation of bills of lading. Be sure that your material has been carefully crated or packed, and properly tagged or marked.

## MATERIAL HANDLING & DRAYAGE SERVICES

PAGE 2 OF 2

11. In order to expedite removal of materials, Event 1 Productions shall have authority, without further clearance from exhibitors, to change designated carriers.
12. Labor and services ordered on behalf of exhibitors by display builders or other parties must be so authorized in a letter from exhibitors.
13. Payment for all labor and services will be the responsibility of the exhibitor.
14. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers. The exhibitor agrees, in the event of a dispute with Event 1 Productions relative to any loss or damage to any of their materials or equipment that they will not withhold payment of any amount due to Event 1 Productions for Drayage or any other services provided by Event 1 Productions as an offset against the amount of the alleged loss or damage. Instead, they agree to pay Event 1 Productions at the close of the show for all such charges, and they further agree that any claim they may have against Event 1 Productions shall be pursued independently by them as a completely separate transaction to be resolved on its own merits.
15. At the close of the show, all exhibitor orders must be paid in full. **All unpaid balances at the end of the show will have an additional \$125.00 re-processing fee automatically added.**
16. Where an exhibitor indicates choice of carrier for pickup it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the venue, Event 1 Productions reserve the right to forward such material by the shipping method of our choice or to remove said material to our warehouse for disposition. ***There will be a service fee of \$0.99 per pound, with a minimum of 100 lbs, for all freight not picked up from the venue that is returned to Event 1 Production's warehouse.***
17. Material left behind without orders placed at the Drayage Service Desk may be classified as abandoned. The Drayage Contractor shall not be responsible for same. Event 1 Productions are not responsible for any delay of rush shipments. Event 1 Productions will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
18. EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Event 1 Productions is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Event 1 Productions hereunder are based on the value of the material handling services and the scope of Event 1 Productions liability as set forth above.
19. By signing these forms, exhibitors authorize Event 1 Productions to handle any freight sent by your company to the show listed above. Your signature also authorizes Event 1 Productions to charge the credit card you have provided within 10 days after the aforementioned show, should the actual, confirmed weight of your freight shipment be greater than the estimated figure you entered in the box above.

## OFFICIAL SERVICE CONTRACTORS & EXHIBITOR APPOINTED CONTRACTORS

**Show management, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed official service contractors to perform and provide necessary services and equipment.**

Official Service Contractors are appointed to:

- Ensure the orderly and efficient installation and removal of the overall exposition,
- Assure the distribution of labor to all exhibitors according to the need,
- Provide sufficient labor to satisfy the requirements of exhibitors, and for the exposition itself,
- See that the proper type and limits of insurance are in force, and
- Avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are:

- Supervision may be provided by the exhibitor.
- The exhibitor may appoint an exhibit installation contractor or display builder.

Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the exhibitor and the installation and dismantling contractor comply with the following requirements:

- The exhibitor must notify show management in writing and Event 1 Productions of the intention to utilize an independent contractor no later than 30 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.
- The exhibitor shall provide evidence that the exhibitor appointed contractor has a proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage and workers' compensation naming Event 1 Productions as additional insured, to show management and Event 1 Productions at least 30 days before the show opening.
- The exhibitor agrees that they are ultimately responsible for all services in connection with their exhibit, including freight, drayage, rentals and labor.
- The exhibitor appointed contractor must have all business licenses, permits and workers' compensation insurance required by the state and city governments and the convention facility management prior to commencing work, and shall provide show management with evidence of compliance.
- The exhibitor appointed contractor will share with Event 1 Productions all reasonable costs related to its operation, including overtime to pay for stewards, restoration of exhibit space to its initial condition, etc.
- The exhibitor appointed contractor must furnish show management and Event 1 Productions with the names of all on-site employees who will be working on the exposition floor and see that they have and wear at all times necessary identification badges as determined by show management.
- The exhibitor appointed contractor shall be prepared to show evidence that it has a valid authorization from the exhibitor for services. The exhibitor appointed contractor may not solicit business on the exhibit floor.
- The exhibitor appointed contractor must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
- The exhibitor appointed contractor shall provide, if requested, evidence to Event 1 Productions that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The exhibitor appointed contractor must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
- The exposition floor, aisles, loading docks, service and storage areas will be under the control of the official service contractor, Event 1 Productions. The exhibitor appointed contractor must coordinate all of its activities with Event 1 Productions.
- For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.
